ONE ACRE'S CROP

WONDERFUL PRODUCTS OF LEWISTON SOIL.

Retired Locomotive Engineer From the South to Lewiston and Begins Cultivation of a One-Acre Tract—Claims to Have the Most Productive Acre of Land in the United States.

Joseph W. Lipe, who owns a one-acre tract in this city, has carefully compiled a statement of the production from his single acre of ground, says the Lewiston Tribune.

Mr. Lipe is a retired railroad engineer, which vocation he followed from 1863 until 1902, when he resigned and came to Clarkston to spend the remainder of his life.

During the war of the rebellion Mr. Lipe ran as engineer for the government in Kentucky, Tennessee and Georgia, and pulled General Sherman's hospital train. Mr. Lipe was pulling this train when the general narrowly escaped capture by Wheeler's cavalry between Bowhill and Tuskarora, North Carolina.

Mr. Lipe continued his work as an engineer until the spring of 1902, when he resigned his position and came here to buy a little home. He had never farmed, nor even planted a potato until two years ago, when he began to break sod on what is now, without a single doubt, the greatest producing acre of land in all America.

Besides the residence, out buildings, chicken house and chicken yard, Mr. Lipe has a nice, small-sized lawn on which he has two walnut trees, two bearing almond trees, and many fine flowers and rose bushes.

His beautiful, small orchard contains 55 peach trees of choice varieties, such as Early June, Early Crawford, Early Triumph, Early Amethin, Elberta, Late Crawford, Lemon Cline, Indian Cline, Silver Cline and Cox Cline; four pear trees, two quince trees, five apple trees, 12 Royal Ann, six Bing, two Hotchicks and nine Pie Cherry trees; two apricot trees and seven plum trees. Between the trees he has 2000 choice strawberry plants, two beds of asparagus, 80 grape vines of various varieties, 100 berry bushes and a bed of celery.

Mr. Lipe has about 200 chickens and from January 1, 1904, to October 1, 1904, he sold 375 dozen eggs in addition to supplying his household. The following shows the exact amount of stuff which was raised upon this single acre:

340 boxes of peaches; 75 pounds of Lima beans; 30 crates of wax beans; 100 bunches of radishes, 20 dozen bunches of young onions, each bundle containing one dozen bunches; 3 bunches of onions; 6 dozen cucumbers; 54 watermelons; 10 bushels of potatoes; 25 dozen peppers; 12 bushels of apples; 24 squashes; 16 crates strawberries; 150 pounds of lettuce (this he raised for and fed to the chickens); 2 crates dewberries; 8 crates blackberries; 2 crates red raspberries;
